Video Instructions

1. To add or change your listed mobile phone number in the Synkato platform, first start in your dashboard.
2. Find the My Mobile number field in your contact card listed under your name and profile picture.
3. To add your listed mobile number, click the gear button to the right of the mobile number field.
4. Enter your mobile number with area code in the edit box, excluding any dashes or spaces.
5. When done, click the green checkmark box to save your changes.
6. If you ever need to change your mobile number, you can update it any time by following the same process.
